## EDUCATION

---

**University of North Carolina at Wilmington**  
Bachelor of Science in Computer Science

Wilmington, NC  
December 2024

## WORK EXPERIENCE

---

**Riverview Restaurant**  
Cook

Kure Beach, NC  
Fall 2022 & Fall 2023

- I worked in a **small kitchen** with a team of **3-5 people** to serve **customers**.
- I worked at **all stations**, including salads, sandwiches, the grill, fryer, and window.
- On occasion, I would cook for **special events** such as **weddings**.

**Olive Garden**  
Line Cook

Wilmington, NC  
November 2022 – February 2023

- I worked in a **large kitchen** with a team of **4-6 people** to serve **customers**.
- I worked at **all stations**, mostly **sauté**, as well as appetizers, the grill, and window.
- I often worked multiple stations at once to **compensate** for **understaffing**.

**Walmart**  
Stocking TA

Raleigh, NC  
June 2022 – August 2022

- I worked with a **large team** of associates to help bring products to customers.
- My responsibilities included **unloading trucks**, **processing inventory**, **stocking shelves**, and **helping customers** when needed.

**My Way Lawns and Landscapes**  
Landscaper

Kernersville, NC  
May 2019 – August 2019

- I worked with a team of **about 8 people** to provide various **lawn services**.
- We often split into two groups, one for **mowing** and one for **trimming**.
- The reality was quality over quantity, ensuring our **customers** were **satisfied**.
