EDUCATION

University of North Carolina at Wilmington

Wilmington, NC

Bachelor of Science in Computer Science

December 2024

WORK EXPERIENCE

Riverview Restaurant

Kure Beach, NC

Cook

Fall 2022 & Fall 2023

- I worked in a **small kitchen** with a team of **3-5 people** to serve customers.
- I worked at **all stations**, including salads, sandwiches, the grill, fryer, and window.
- On occasion, I would cook for **special events** such as **weddings**.

Olive Garden

Line Cook

Wilmington, NC November 2022 – February 2023

- I worked in a large kitchen with a team of 4-6 people to serve customers.
- I worked at all stations, mostly sauté, as well as appetizers, the grill, and window.
- I often worked multiple stations at once to compensate for understaffing.

Walmart Raleigh, NC

Stocking TA

June 2022 – August 2022

- I worked with a large team of associates to help bring products to customers.
- My responsibilities included unloading trucks, processing inventory, stocking shelves, and helping customers when needed.

My Way Lawns and Landscapes

Kernersville, NC

Landscaper

May 2019 – August 2019

- I worked with a team of about 8 people to provide various lawn services.
- We often split into two groups, one for **mowing** and one for **trimming**.
- The reality was quality over quantity, ensuring our customers were satisfied.
